

Take a moment to reflect if your lesson is going to work. Ask yourself the following questions:

- Have you defined the objectives in observable, measurable terms?
- Are you ready to discuss the objectives with your students?
- Can you link the objectives to prior learning and/or to the purpose of the learning for the students? Have you linked objectives to future learning?
- Have you determined how you will measure progress?
- Are you ready to discuss with your students how progress will be measured?

Complete the following sentences in your own words:

It is important for me to make this happen in my classroom because...

I am confident that I can use clear academic objectives in my classroom because...
