

Reflection: Identifying Reinforcers for the Classroom

Take a moment to consider the options you have listed in each category. Ask yourself the following questions:

- Have I chosen reinforcers that are easy to administer?
- Have I chosen reinforcers that are low cost?
- Have I chosen reinforcers that are inclusive of all children in the classroom?
- What might get in the way of using this strategy in my classroom?
- What are some ideas for overcoming these challenges?
- What do I need to make this happen in my classroom?

Complete the following sentences in your own words:

It is important for me to identify effective reinforcers for my classroom because...

I am confident that I can complete a reinforcer survey in my classroom because...
