

## **Reflection:** Increasing Opportunities to Respond

Take a moment to make sure your plan is going to work. Ask yourself the following questions:

- Have I identified one or more ways that I will increase OTRs that will work for me in my class?
- Will the strategies I developed ensure I will provide OTRs to all students in my class?
- Can I provide OTRs that are relevant and rigorous?
- How will I assess student accuracy to OTRs and modify instruction accordingly?
- What might get in the way of using this strategy in my classroom?
- What are some ideas for overcoming these challenges?
- What do I need to make this happen in my classroom?

Complete the following sentences in your own words:

**It is important for me to make this happen in my classroom because...**

**I am confident that I can increase my OTRs because...**
