

Reflection: Using Active Supervision

Take a moment to reflect on whether your plan is going to work. Ask yourself the following questions:

- Have I clearly identified the behavior expectations for the tasks?
- Do I have a planned response for both appropriate and inappropriate behaviors?
- Are there students who will benefit from closer proximity and more frequent reinforcement?
- Do I have reinforcers on the menu that are meaningful to the students?
- What might prevent me from circulating while the students are working?
- How can I overcome these challenges?
- What do I need to make this happen in my classroom?
