

Reflection: Using Group Contingencies

Take a moment to make sure your plan for using the group contingency is going to work. Ask yourself the following questions:

- Is my teaching plan for the behavioral expectation thorough enough for students to understand what is expected?
- Is my teaching plan for the contingency thorough enough for students to understand?
- Have I chosen reinforcers that are inclusive of all children in the classroom?
- What challenges might get in the way of using this strategy in my classroom?
- What are some ideas for overcoming these challenges?
- What do I need to make this happen in my classroom?

Complete the following sentences in your own words:

It is important for me to effectively utilize group contingencies because...

I am confident that I can effectively use group contingencies in my classroom because...
